WHAT WILL HAPPEN NEXT

Your request will be sent to a Design Officer in your local ESB Networks Office. The application will be assessed and our Design Officer will contact you to discuss the next steps and advise you if a charge is applicable.

DATA PROTECTION

Personal data provided by you in this application form will be disclosed to other parties in the following circumstances:

- ESB Networks DAC will use the information supplied on this form for the purposes of managing your electricity supply connection and the electricity network and performing its functions as Distribution System Operator. In performing these functions, ESB Networks DAC may utilise the services of contracted third party data processors. ESB Networks DAC may disclose your data to these third party data processors, which are only permitted to use your data as instructed by ESB Networks DAC. They are also required to keep your data safe and secure. By signing this application you consent to this use of your personal data.
- ESB Networks DAC may make available the existence, location and/or technical aspects of your connection to licensed Electricity Supply Companies and other parties involved in your electricity supply. In the case of new connections, ESB Networks DAC will make available your telephone contact number to licensed Electricity Supply Companies in order to facilitate energisation of the connection. By signing this application you consent to this use of your personal data.
- Please note that ESB Networks DAC may be required by law, or our license obligations, to provide data that ESB Networks DAC holds about you, your electricity supply or connection, to government agencies or departments, the Commission for Regulation of Utilities or other third parties.
- Contact details may also be provided to a professional third party market research company for the purposes of researching your satisfaction with the services provided by ESB Networks DAC. This information may also be used to enhance our services as the Distribution System Operator.

NOTE 2

Safety Message

- Refer to the HSA Approved “**ESB Networks Code of Practice for Avoiding Danger from Overhead Electricity Lines**” for safety guidance in relation work in the vicinity of overhead lines - available on the HSA and ESB Networks DAC websites or order free printed copies from ESB Networks DAC. Tel. 1850 372 757.
- Refer to “HSA Code of Practice for Avoiding Danger from Buried Services” for safety guidance in relation to underground electricity cables - available on the HSA website.
- ESB lines/cables map records are available from ESB Networks Central Site at Fax. 01-6388169 or by email to: dig@esb.ie.
